

SPECIALISED ARTS AND ACTIVITY CENTRE

Every milestone is treated as a success

We are a proud advocate of social and community inclusion, integrating our services into local communities through association and individuals who wish to engage in artistic activities. We offer one on one support to participants whom wish to engage, to not only captivate but to develop their interest and encourage positivity. Our holistic approach means that we deliver a high quality every step of the way with personalised support. This aids in developing effective strategies to reduce stress and promote calm positive outcomes.

Indigenous art

Indigenous art is centred on story telling. It is used as a chronical to convey knowledge of the land, events and beliefs of the Aboriginal people. The use of symbols is an alternate way to writing down stories of cultural significance, teaching survival and use of the land. The interpretations of the iconography differ depending on the audience and artist.

Arts and craft

Associated with art in which the traditions of the past have been thrown aside in a spirit of experimentation. Experimenting with new ways of seeing, fresh ideas about the nature of materials and functions of art, a tendency away from the narrative. This include introduction of different textures, surfaces, elements to the activity.

- Painting
- Clay
- Scrapbooking
- Wood

Physical Activities

Physical Activity plays an integral role in maintaining health, well-being, and quality of life. For people living with disability, achieving a healthy level of physical activity can greatly support them in their daily activities and independence.

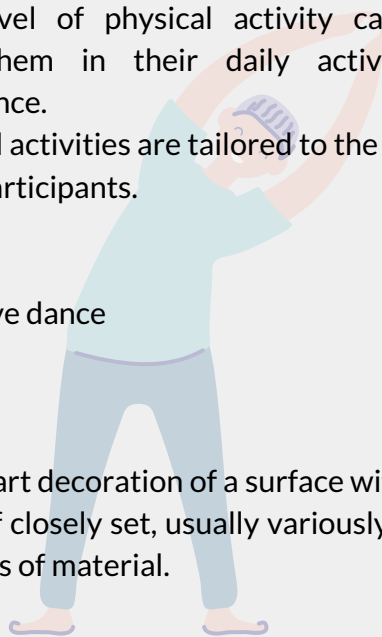

All physical activities are tailored to the individual needs of participants.

- Zumba
- Creative dance

Mosaic art

Mosaic, in art decoration of a surface with designs made up of closely set, usually variously coloured small pieces of material.

- Stone
- Mineral glass
- Tile
- Shell
